An approved Development Application **is not** a building permit and **does not** allow the applicant to commence construction. A building permit **must** be obtained by the **Carteret County Building Inspections Department** prior to the start of construction. This Development Application is the mandatory first step in obtaining a building permit from Carteret County. The Carteret County Inspections office can be reached using the following numbers: (252) 393-3204 or (252) 728-8497. By signing below, the applicant certifies that the Planner has made him/her aware of all the applicable rules and regulations concerning the proposed project and affirms that he/she shall abide by all these rules and regulations and will obtain all other necessary permits prior to the start of construction.
